# Castle Oron

## The Boudoir

This small room was used as a dressing room and study for the ladies.

On the walls you can see a few Venetian and Italian miniatures. Please notice the very beautiful secretary with inlaid musical motifs.

It was also the study attached to the Bailiff's wife's bedroom when the previous bedroom was the Bailiff's. With an area of about 15 sq. m. it is the smallest room in the castle.

The Boudoir was restored in 2014 with the help of the Marcel Regamey Foundation
